

GO BLUE FOR AUTISM BUNTING

How to make your bunting:

Materials needed: string or ribbon, a stapler or hole punch, scissors and 10-15 minutes!

1. Print out your bunting. Print out however many triangles you desire.
2. Cut out the bunting triangles using scissors (kids, be sure to get an adult to help you with this!)

3. Cut your string/ribbon to the desired length. Remember, your bunting should dip a bit in the middle.
4. Space out your triangle leaving space at the end to tie your bunting.
5. Then either staple your bunting to the string/ribbon OR use a hole punch to place holes in the triangles and thread the ribbon through the triangles.
6. Hang up your bunting at your Go Blue for Autism event!
